RESPONSE TO OFFICE NOTICE REGARDING SPECIES ELECTION

RECEIVED

DEC 11 2002

Commissioner for Patents
Washington, DC 20231

TECHNOLOGY CENTER R3700

Dear Sir:

This is in response to an Office Communication dated November 19, 2002 setting a one-month response period for electing a species, either Group I using an article to exert pressure, Group II using a vibrator species, Group III using an elastic species or Group IV using a fluid medium.

Applicants hereby elect, with traverse, Group II relating to a vibrator species. Group II species claims read on claims 17 and 18. The Examiner states claims 6, 23 and 24 are generic to a plurality of disclosed patentably distinct species. As such claim 6, 17, 18, 23 and 24 are currently being examined.

Applicants request that claims 7-9, Group IV, be examined with the claims of Group II. Applicants believe that a search of Groups II and IV would substantially overlap such that it would not be an undue burden on the Examiner to search both groups and would significantly streamline prosecution.

Applicant believes no fee is due with this response. However, if a fee is due, the Commissioner is hereby authorized to charge our Deposit Account No. 06-2375.

Dated: December 9, 2002

Respectfully submitted,

By
